Dear Drew Polin,

On behalf of First Baptist Church staff and deacons, I would like to express my sincere appreciation for your support and work completed in the month of May and June 2014. Your evaluation and input greatly assisted First Baptist Church in determining the best mobile phone proposal.

Because of your support, First Baptist Church was able to realize significant savings on our mobile phone plan for the year and years to come. Without your help, First Baptist Church would have continued on our existing plan and not realize our savings. Most importantly the savings has allowed First Baptist Church to invest back into the ministry and reaching people.

Thank you again for your generous support of our church. If there is anything I can do to assist you in the future do not hesitate to contact me.

Sincerely,

Keith Horton
